

The background of the page is a photograph of a construction site. In the foreground, a worker wearing a yellow hard hat and a blue uniform is pointing towards the right. In the background, another worker in a blue uniform and yellow hard hat is visible, working on a brick wall. The sky is clear and blue. A large red triangular graphic is overlaid on the bottom left of the image, containing the text "COMPANY PROFILE".

COMPANY PROFILE

About Us

Situated in Johannesburg, Hi-Echelon is a trusted and reputable provider in the maintenance and engineering industry, serving the entire Gauteng area. With a commitment to excellence, we offer comprehensive solutions to meet all your maintenance and engineering needs at competitive prices, while never compromising on quality.

Our team comprises qualified professionals, each possessing extensive experience in their respective fields of specialty, ensuring that every task is executed flawlessly from the outset. Equipped with state-of-the-art tools and machinery, we operate efficiently and effectively, minimizing time wastage and swiftly resolving issues with utmost professionalism.

At Hi-Echelon, our dedication to customer satisfaction extends to the finer details. Our technicians diligently maintain a clean and tidy work area, ensuring that your space is left immaculate upon project completion. Trust in Hi-Echelon for top-notch services, where expertise, efficiency, and customer-focused values converge to deliver exceptional results.

Services

We offer a range of building services including tiling, plastering, brickworks, paving, painting, waterproofing, ceiling repairs, and carpentry. There is no project too big or too small for Hi-Echelon, contact us and we will come to analyse your project

Carpentry

We install kitchen units, cupboards, ceilings, wooden flooring, fitting of doors, as well as restorations. We also do a 3D kitchen design for your restoration.

Plumbing

We take care of all blockages, leaking taps and toilets, clogged drains and plumbing repairs, we perform a leak detection to ensure that your plumbing problems are resolved.

Paving

We specialise in all types of paving including driveway paving. We perform an informal site survey and we will be able to discuss your requirements, assess ground conditions and supply samples.

Services

We offer a range of building services including tiling, plastering, brickworks, paving, painting, waterproofing, ceiling repairs, and carpentry. There is no project too big or too small for Hi-Echelon, contact us and we will come to analyse your project
